It is a commendable habit to clean the engine externally, for it often leads to the discovery of troubles that are in the making, and, carefully done, it can be a splendid prevention of fire.

Religious Education Week Fixed

Endorsing the observance of Religious Education Week, Sept. 29-Oct. 6, in rural and urban areas of America, President Harry S. Truman warned that "democracy dare not neglect the religious nurture of its children, youth and adults."

Emphasizing his belief in the basic importance for democracy of religious education, President Truman declared that "we are learning day by day that peace imposes responsibilities not less arduous than the tasks of active warfare."

"Of one thing we are certain, and that is that we cannot build an enduring peace structure unless we build it upon Christian principles. Religious instruction inculcates belief in the Fatherhood of God and the Brotherhood of Man," he asserted.

"These basic religious concepts are not intuitive; they must be learned; to be learned they must be taught," President Truman pointed out. "Unless they are learned the structure of democracy will crumble for want of moral cement; progress of democracy will halt for lack of spiritual dynamic."

Ninety percent of American Protestantism will take part in church and community observances of Religious Education Week through the 40 denominations and 173 state, city and provincial councils of churches and religious education of the United States and Canada, which are member agencies of the International Council, Dr. Ross announced.

NEBRASKA PICNIC All day Saturday, Sept. 14, Sycamore Grove in Los Angeles will be the scene of the fall picnic, but with an added attraction. The old home newspapers from every town in Nebraska will be on the 93 county registration tables.

L.A. School Tax Rate \$2.0214 For Present Year

The Los Angeles City School District tax rate for 1946-47 will be \$2.0214 per \$100 assessed valuation, or 19.98 cents higher than the current year's, Asst. Supt. Harry M. Howell, budget director, estimated yesterday.

This means that the tax bill of Torrance to Los Angeles schools this year will be \$444,708, plus the state school support which will run between \$200,000 and \$250,000 for the year.

This is the last year Los Angeles will be able to collect this rate from Torrance, however, as the people voted in adopting the City Charter Aug. 20 to organize their own school district.

Torrance will take over elementary schools next year and the high schools the following year, under procedure outlined by law.

In the recent campaign, Los Angeles school men admitted that costs of operating the Torrance schools is only approximately \$375,000.

After his report to the Board of Education, Howell predicted that assessed valuations on property probably would be increased generally by at least 10 percent.

In a breakdown of estimated revenues accruing from application of the new tax rate, Howell said that the \$2.0214 rate would return approximately \$28,641,088, as compared with \$23,468,648 returned under the current \$1.8216 rate.

The Board of Supervisors is scheduled to set tax rates in the county at an adjourned meeting called into session at 10:30 a. m. today.
